July Trips
6 th - Golden Age - Atlantic City
8 th - Golden Age - Platzl Brauhaus

LAWYER JOKE

A lawyer dies in a car accident on his 40th birthday and finds himself at the Pearly Gates. A brass band is playing, the angels are singing a beautiful hymn, a huge crowd cheers and shouts his name and absolutely everyone wants to shake his hand.

Just when he thinks things can't possibly get any better, Saint Peter himself runs over, apologizes for not greeting him personally at the Pearly Gates, shakes his hand and says, "Congratulations, son, we've been waiting a long time for you!"

The lawyer is confused and asks, "Congratulations for what?"

"Congratulations for what?" says Saint Peter, totally amazed at the man's modesty. "We're celebrating the fact that you lived to be 160 years old! God himself wants to see you!"

The lawyer is stunned and can only look at Saint Peter with his mouth agape. When he regains his power of speech, he looks up and says, "Saint Peter, I lived my life in eternal hope that when I died I would be judged by God and be found worthy, but I only lived to be forty!"

"That's simply impossible, son," says Saint Peter. "We've added up your time sheets."

LUIGI'S RESTAURANT

A group of 40 year old buddies discuss where they should meet for dinner. Finally, it is agreed that they should meet at Luigi's Restaurant because the waitresses have nice breasts and wear low-cut blouses.

10 years later, at 50 years of age, the group meets again. Once again, they discuss where to meet. Finally, it is agreed that they will meet at Luigi's Restaurant because the food and wine selections are very good.

10 years later, at 60 years of age, the group meets again to discuss where they should meet. Finally, is it agreed upon that they will meet at Luigi's Restaurant because they can eat there in peace and quiet and the restaurant is smoke free.

10 years later, at 70 years of age, the group meets again. Once again, they discuss where to meet. Finally, it is agreed upon that they should meet at Luigi's Restaurant because the establishment is wheel chair accessible and they even have an elevator.

10 years later, at 80 years of age, the group meets again and once again they discuss where to meet. Finally it is agreed upon that they should meet at Luigi's restaurant since they have never been there before.

How many words with at least three letters can you make from the word **DECISION**? Can you make at least 20?
